

Our Care Pros have the tools, training, and support to provide better care.

- ✓ Infection mitigation training
 - ✓ Pre-visit symptom/temperature check
 - ✓ Expanded mask requirements and training
 - ✓ New surgical masks for every visit
 - ✓ Restaffing shifts in case of illness
 - ✓ Care Notes after each visit
 - ✓ Real-time updates on client condition
 - ✓ 24/7 trained support team
-

Our system of enhanced protocols is informed by public health guidelines and best practices.
